### About the Symposium:

The Government IT Symposium is hosted by GTS Educational Events, a non-profit organization that *designs, convenes and supports educational programs for government and civic sectors that engage, inspire and inform. A prelude to its annual Government IT Symposium, Career Connection is one more way that GTS is helping support and build capacity for government and non-profit organization.* [www.mngts.org](http://www.mngts.org). Major sponsors include: IBM, Insight/CommVault, and Check Point Systems.
