- Manages customer and vendor information, W9s and document retention
- Creates and monitors financial reports related to purchases and budget controls
- Supports internal and external customers with requests for financial information
- Assists with year-end reconciliations and preparation for annual audit

Operations

- Serves as point of contact for facilities, equipment, communications and IT vendors/contractors
- Provides first echelon support and maintenance of software and communications tools in a Windows environment
- Manages procurement/purchasing of office/kitchen supplies, small equipment, meeting materials and assists staff with procurement of event-related items
- Keeps common and supply areas organized, and maintains an inventory of fixed assets
- Supports staff with research projects, proofreading and mailings
- Assists onboarding & orientation for new employees, offboarding for terminating staff

Record-Keeping & Document Control

- Creates and revises administrative and operational procedures, contact lists and shared informational resources
- Organizes and maintains shared electronic files and folders
- Organizes, maintains and archives accounting records

Client & Guest Care

- Serves as first point of contact for guests and general communications via email and phone
- Helps plan meetings with guests, clients, staff and board

Event Support

- Provides on-site support for registration, speakers, sponsors and attendees, as assigned by event managers

JOB SPECIFICATIONS

Desired Education and Experience

- 2 year degree in accounting, finance, business administration, or combination of 2 year degree and equivalent work experience
- Two years prior experience with accounts payable and receivable and other listed accounting functions
- Two years prior experience providing general office administrative support functions
- Experience using Quick Books preferred
- Professional experience in a non-profit office
- Previous experience with event management and registration software a plus
- Experience providing basic technical support for a small office environment
- Experience managing email and calendars in Outlook

Knowledge, Skills and Abilities

- Proficiency with Microsoft Office products, including Excel, Word, Outlook
- Ability to learn new software quickly
- Knowledgeable of and comfortable teaching others basic technology systems/software and standard office equipment
- Demonstrated capability in maintaining strict confidentiality with employee information
- Knowledge of principles and practices of basic office management and organization
- Basic understanding of usual business practices, GAAP awareness useful
- Excellent attention to detail, high level of accuracy and good proofing skills
- Highly organized, able to prioritize and manage time effectively
- Able to work independently and with direction
- Ability to communicate clearly, concisely and accurately both orally and in writing
- Ability to develop and maintain positive and effective working relationships with other staff, clients and the general public

ORGANIZATION EXPECTATIONS

- Adhere to all GTS Educational Events policies and procedures
- Maintain absolute confidentiality of all information pertaining to staff, clients, participants, stakeholders and partners
- Display a positive and professional image and attitude in all relationships with staff, clients, participants, stakeholders and partners
- Serve as an ambassador for GTS Educational Events at all times
- Demonstrate ongoing commitment to and responsibility for ongoing self education

PHYSICAL REQUIREMENTS NECESSARY TO PERFORM THIS JOB

- Work 20 hours per week distributed Monday through Friday
- Be indoors, sitting at a desk for the majority of the day

- Travel to and from event sites (primarily local, some outstate); must have driver's license and access to a car
- Must be able to pack, lift, and transport program equipment and materials to and from programs
- Must be able to set-up rooms for meetings if necessary – move some tables and chairs, set-up equipment
- Must be able to lift up to 10 pounds on a regular basis; up to 30 pounds occasionally

TOOLS AND EQUIPMENT USED
