PARTNERING WITH
NONPROFITS & FOUNDATIONS
TO STRENGTHEN YOUR COMMUNITY

At the November 2009 joint conference of the Minnesota Council of Nonprofits & the Minnesota Council on Foundations, two messages came through loud and clear:

- **We will never work again the way we worked before this economic crisis**
- **Nonprofit, public and philanthropic sector partnerships are the key to a more successful future for all concerned**

RCLLG members are certainly facing **the realities of the “new normal”** as well. This is an opportunity to jointly explore big-picture and specific possibilities in our county.
